### Export (click the chart to see)

# PRODUCT PORTFOLIO

ČSN EN 1493:2010

## 2 POST HYDRAULIC LIFTS

**AMI 3,0 ECO LINE**

**AMI 3,6 CLASSIC**

**AMI 4,0 VARIANT**

## 2 POST HYDRAULIC LIFTS

**Loading capacity 5,5 tons**

**Arm types – 3D, 3D EX**

**Easy operation with lever or buttons**

**Highly efficient and economical**

**Variability in post extension**

**Next-gen rubber pads**

**Usable for VANS**

**AMI 5,5 VAN**

**AMI 8,0 BUS**

**Loading capacity 8 tons**

**Extended arms 900 – 2000 mm**

**Easy operation from both posts**

**Highly efficient and economical**

**Automatic release of safety latches**

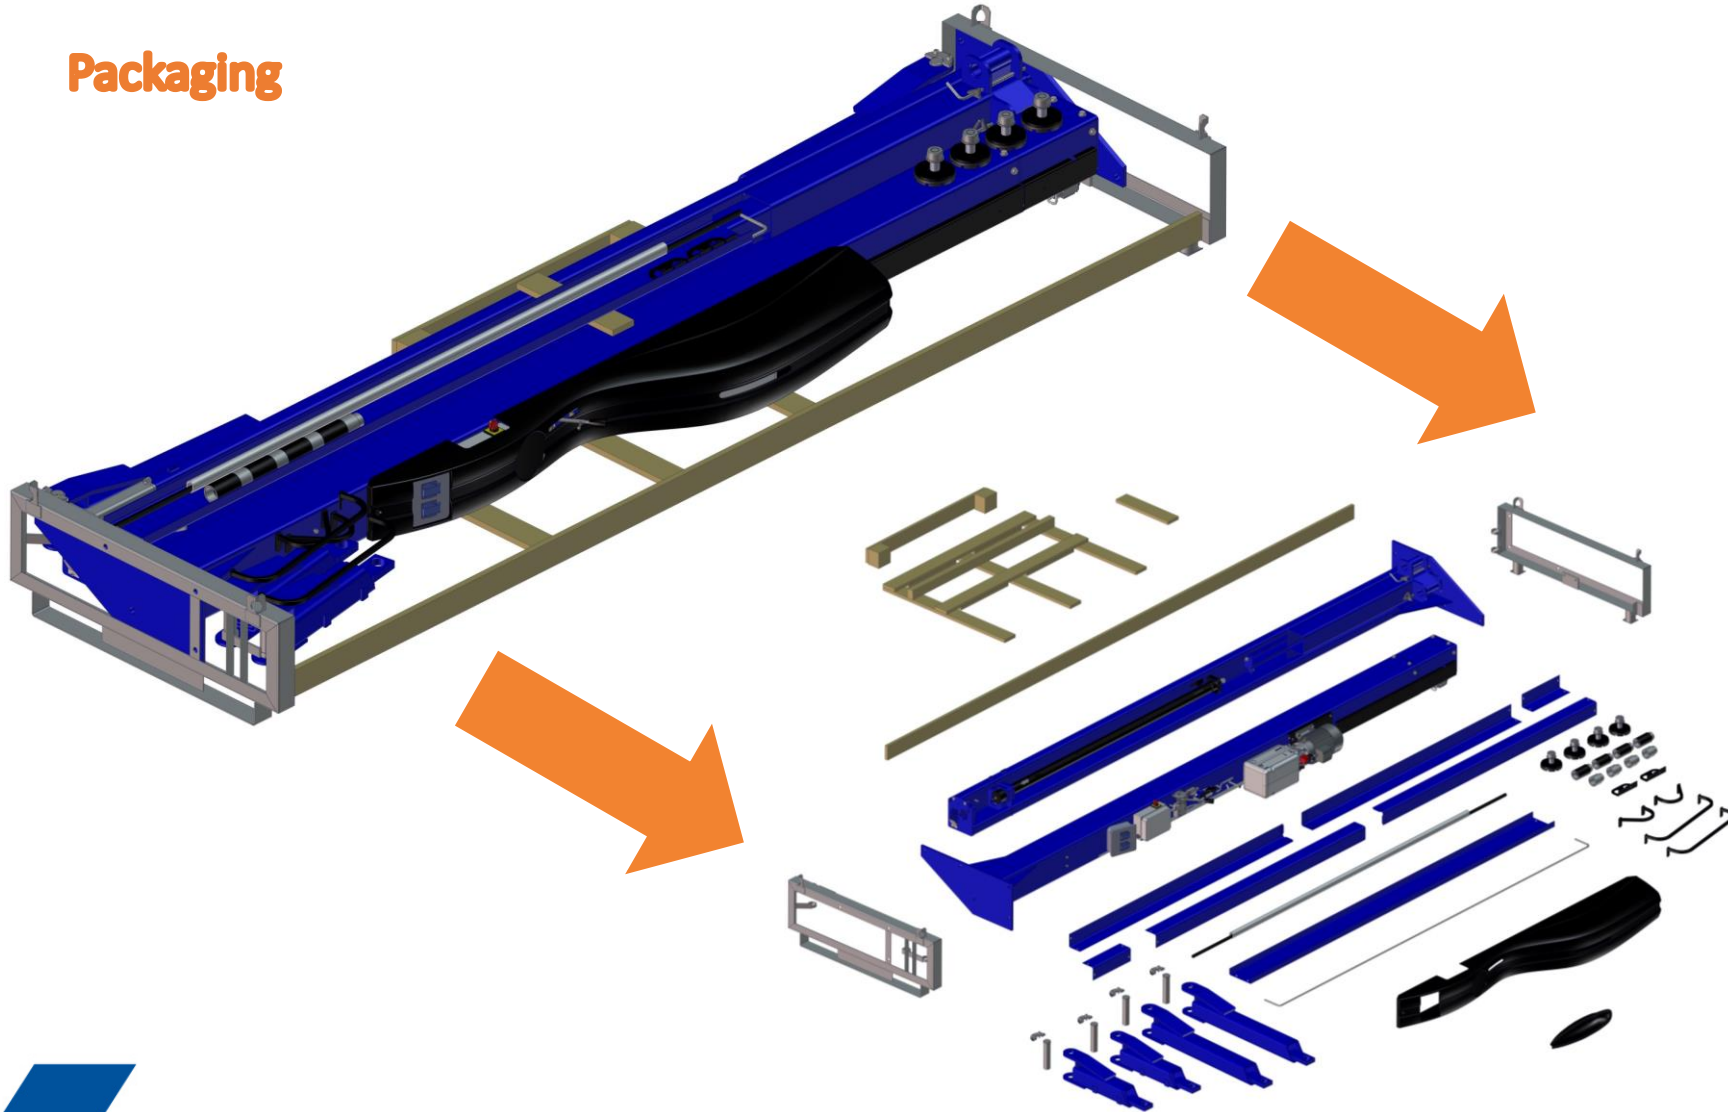

**Usable for VANs and smaller buses and trucks**

# 2 POST HYDRAULIC LIFTS

## Packaging

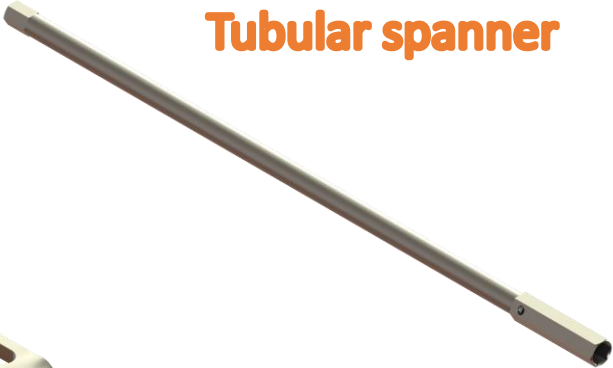

# 2 POST HYDRAULIC LIFTS

To ease the assembling at place

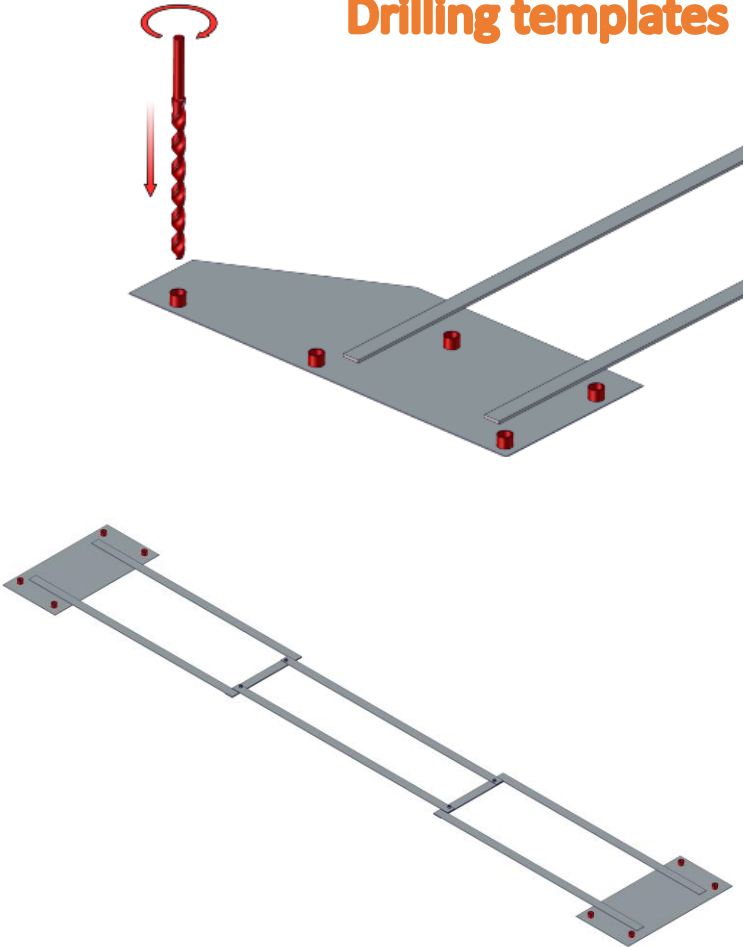

Tubular spanner

Flat spanner

Drilling templates

## 4 POST HYDRAULIC LIFTS

**Loading capacity 4 – 5,5 tons**

**Highly efficient and economical**

**Length up to 5.450 mm**

**Adjustable platforms**

**Wide range of accessories**

**Integrated scissor lift**

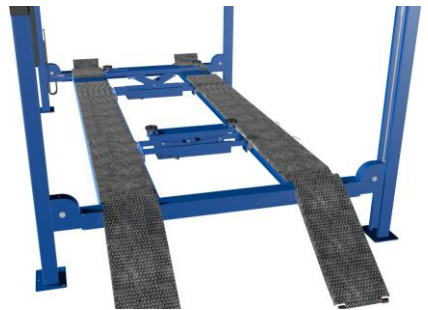

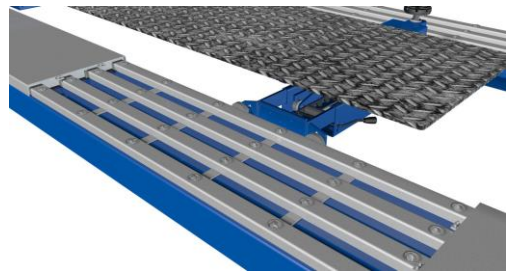

**Designed for 3D wheel alignment**

# 4 POST HYDRAULIC LIFTS

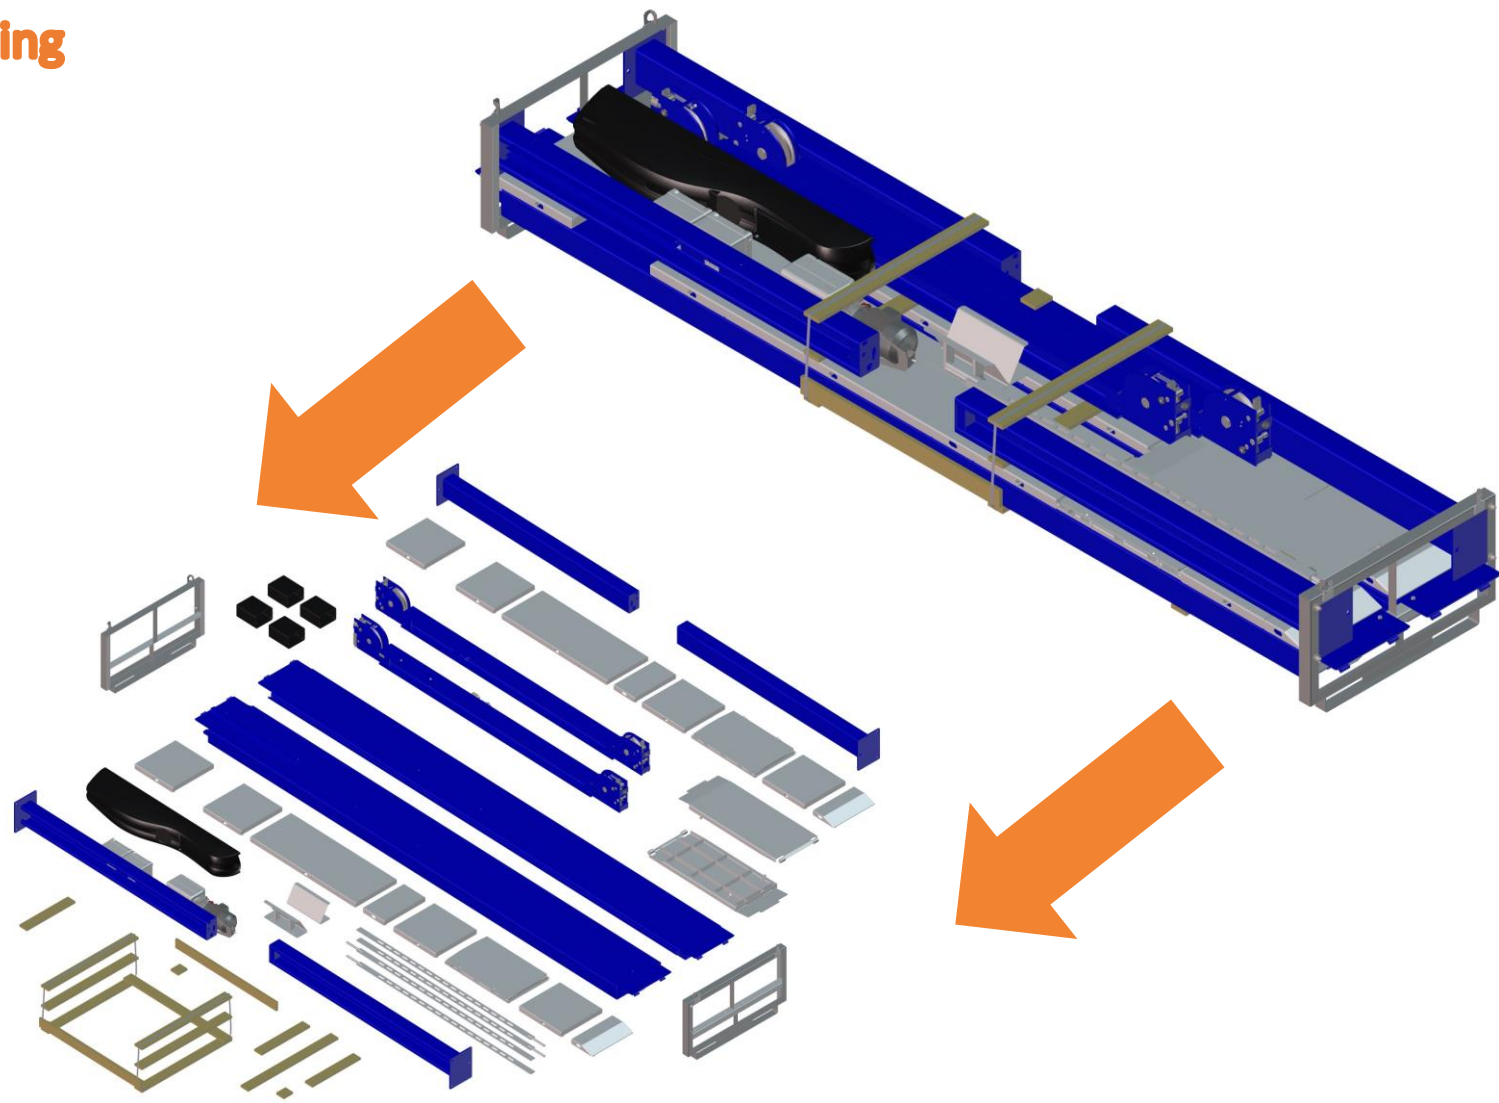

## Accessories

# 4 POST HYDRAULIC LIFTS

## Packaging

# SINGLE COLUMN HYDRAULIC LIFTS

Loading of each column 5,5 or 7,5 tons

Highly efficient and economical

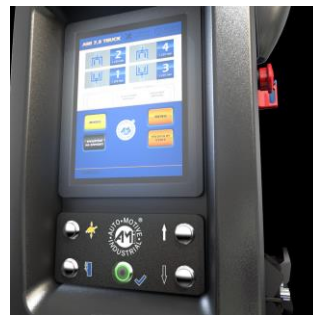

Electronic regulation and synchronization

Tablet with touch screen or remote control

Enlargement 4-12 posts

Tandem function

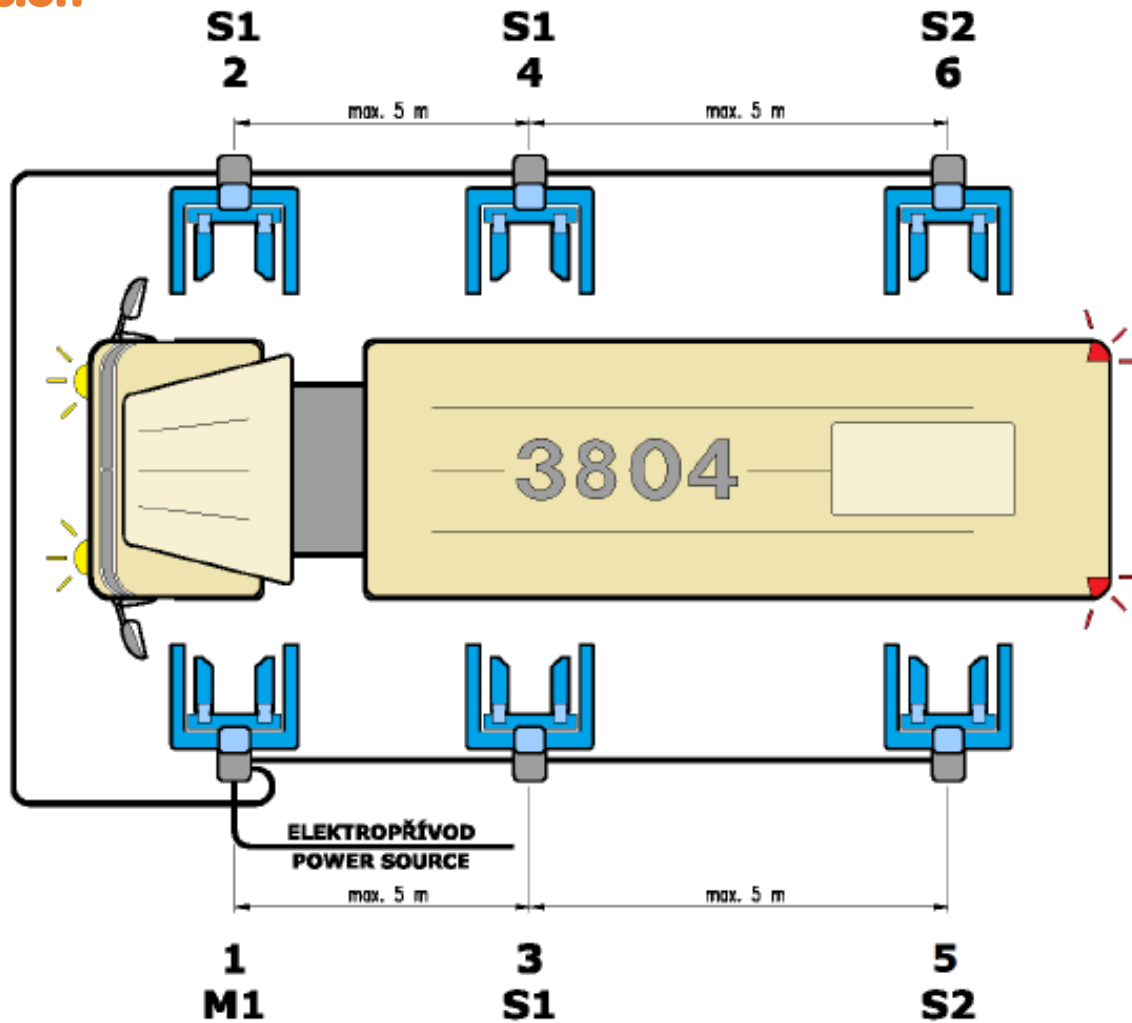

Lifting of broad range of vehicles from delivery VANS to off-highway trucks

# SINGLE COLUMN HYDRAULIC LIFTS

## 6 column version

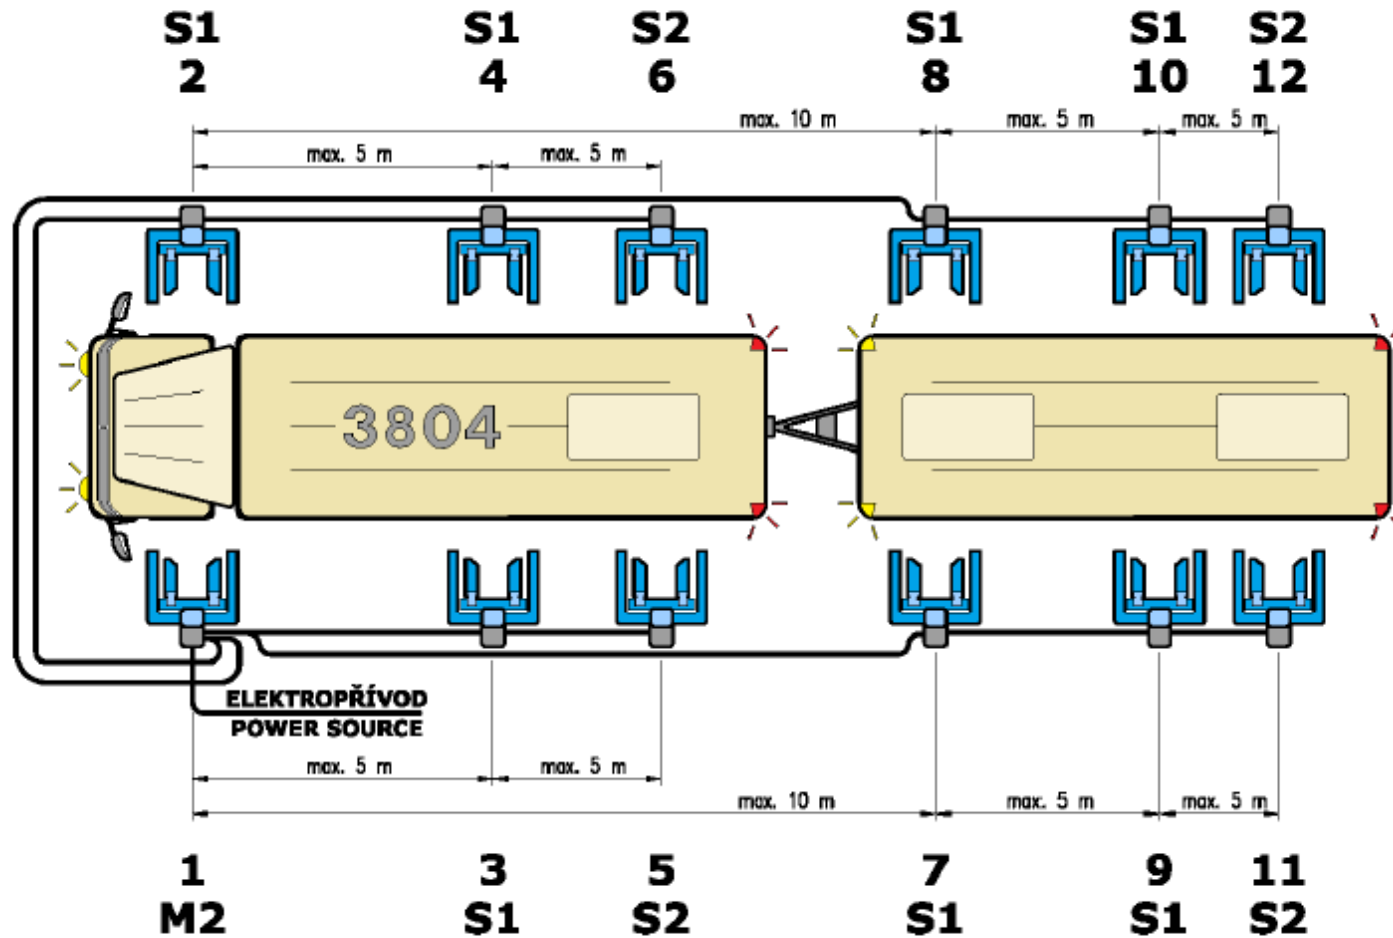

# SINGLE COLUMN HYDRAULIC LIFTS

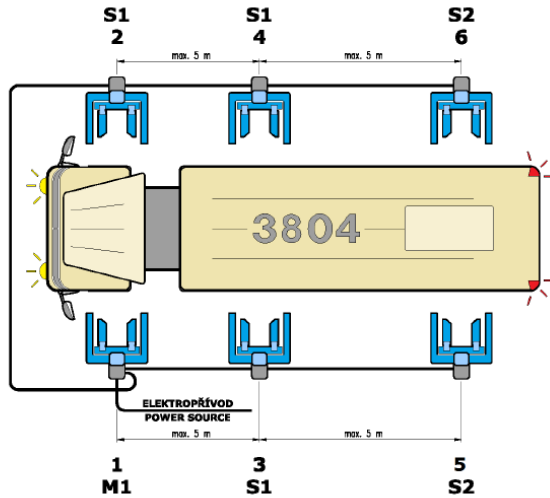

## 12 column version

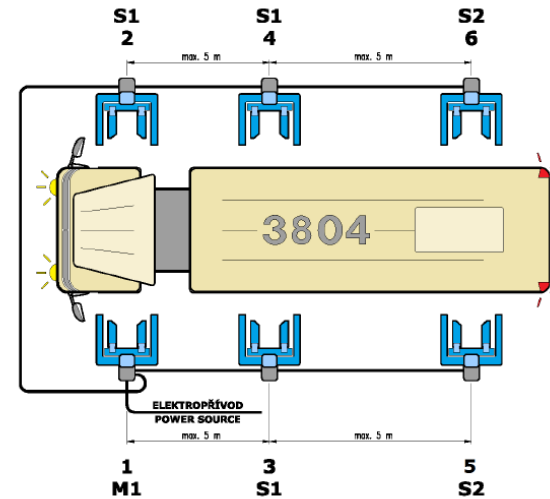

# SINGLE COLUMN HYDRAULIC LIFTS

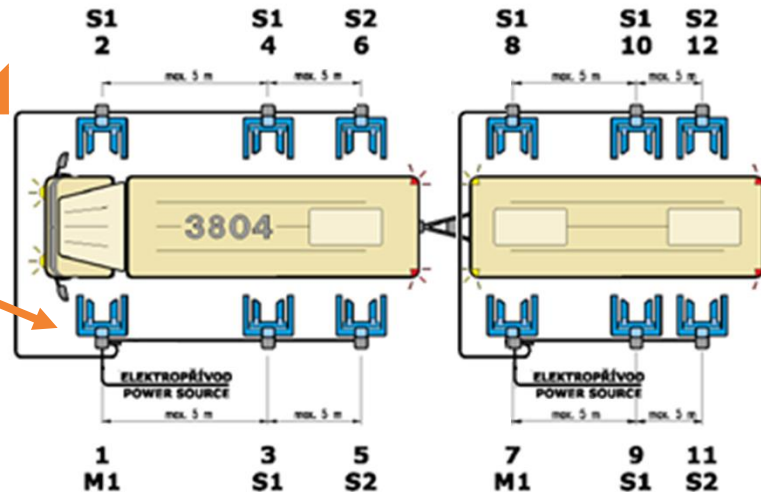

## Tandem function

## 2 Independent sets

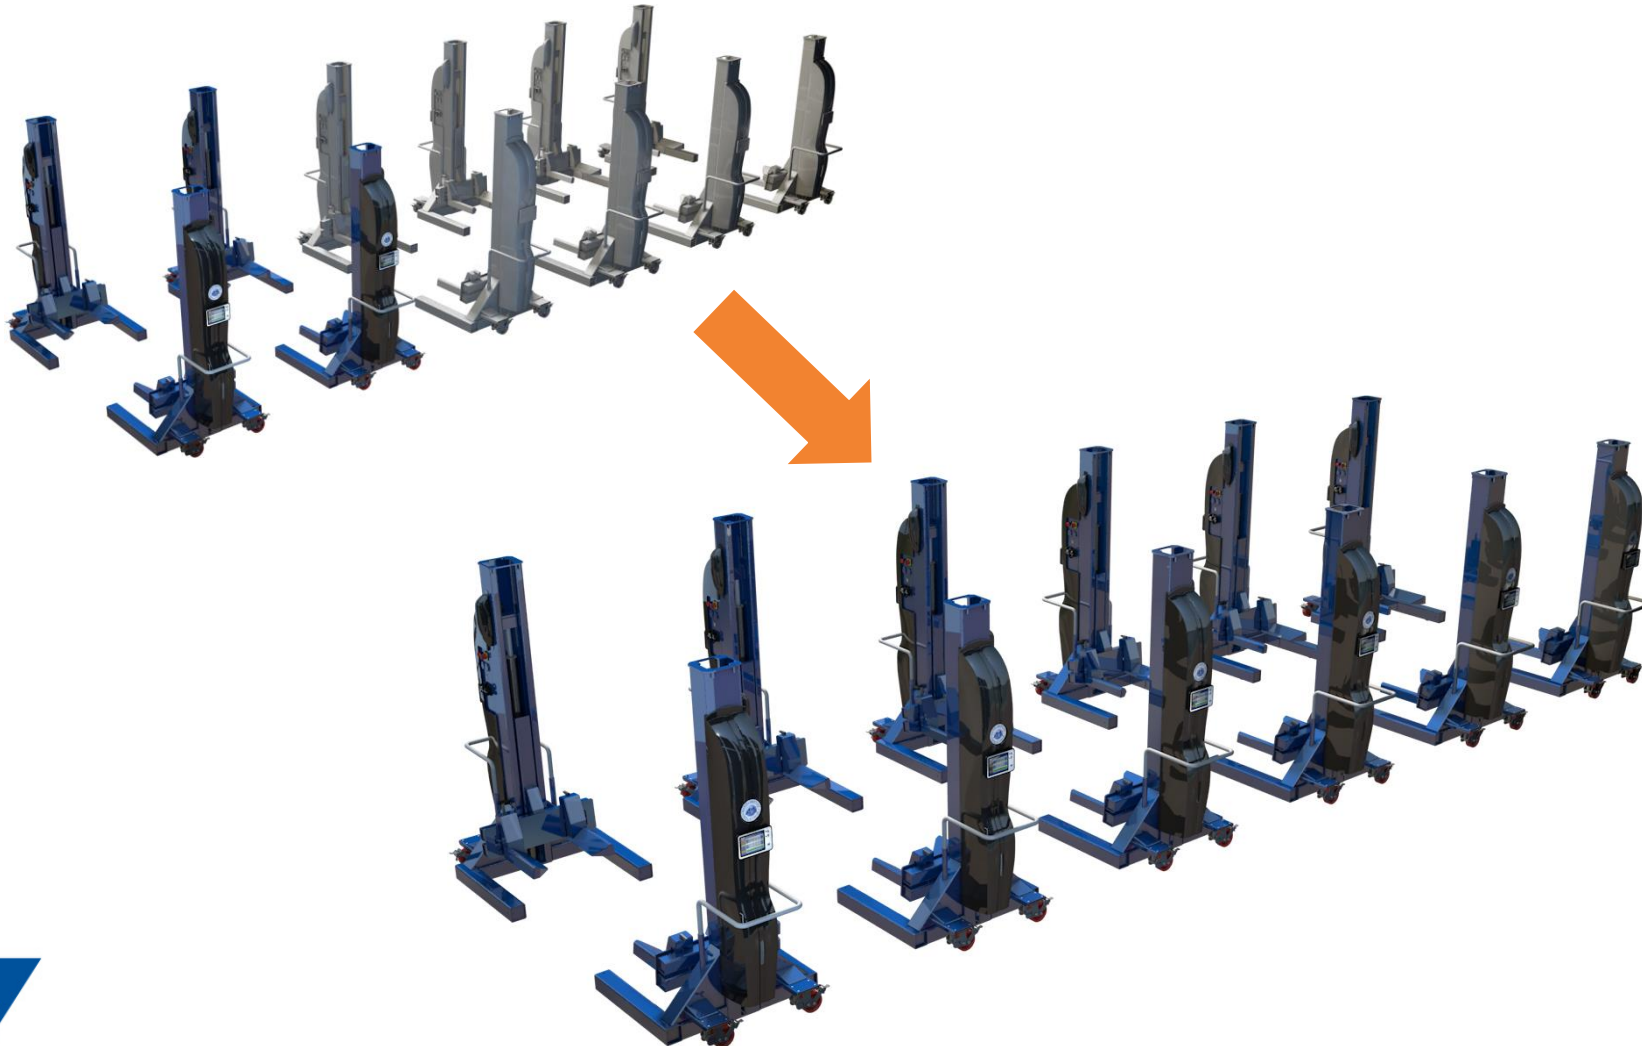

**2 Independent sets  
connected to work together  
operated by this Master  
column or by remote control**

# SINGLE COLUMN HYDRAULIC LIFTS

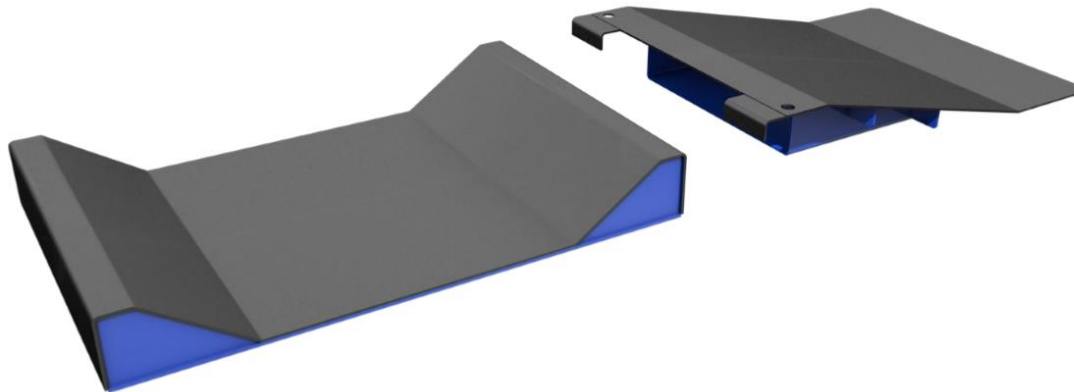

Enlargement up to 12 columns

# SINGLE COLUMN HYDRAULIC LIFTS

## Accessories

**SCANIA**

# ADVANTAGES OF COOPERATION

Direct dealing with the producer

Only company providing **10 year warranty** (1800+ lifts in CZ)

100% outcome quality check of all products

Pre-assembled lifts => short time of installation

Tens year of experience

Lifts produced in compliance with ČSN EN 1493:2010
